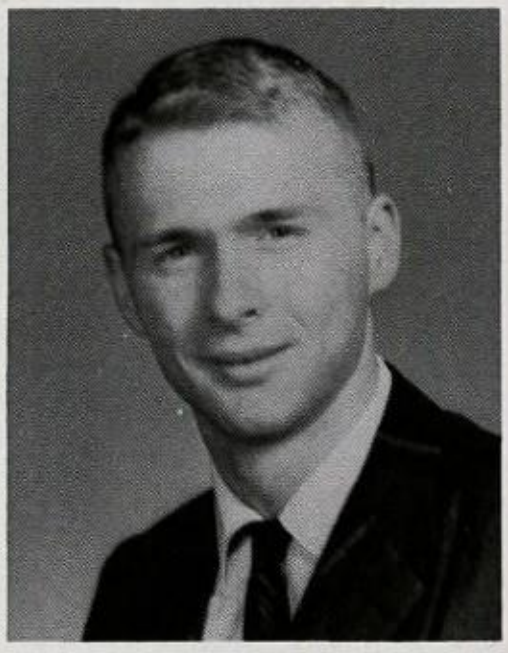
Editor's Note



We sincerely hope that the 1964 HORNET will serve as a useful remembrance of this school year. We believe it presents an accurate picture of the students at T.C.H.S. We hope that all students will adopt our motto: "One Step at a Time, but Always Forward."

In the years ahead - as in the years past - we are sure our school will continue to improve. Each student must conscientiously endeavor to bring about its improvement.

We would like to take this opportunity to thank everyone who has made these years at Talbot County High School meaningful. We wish each and everyone of you the best life has to offer.

Dedication

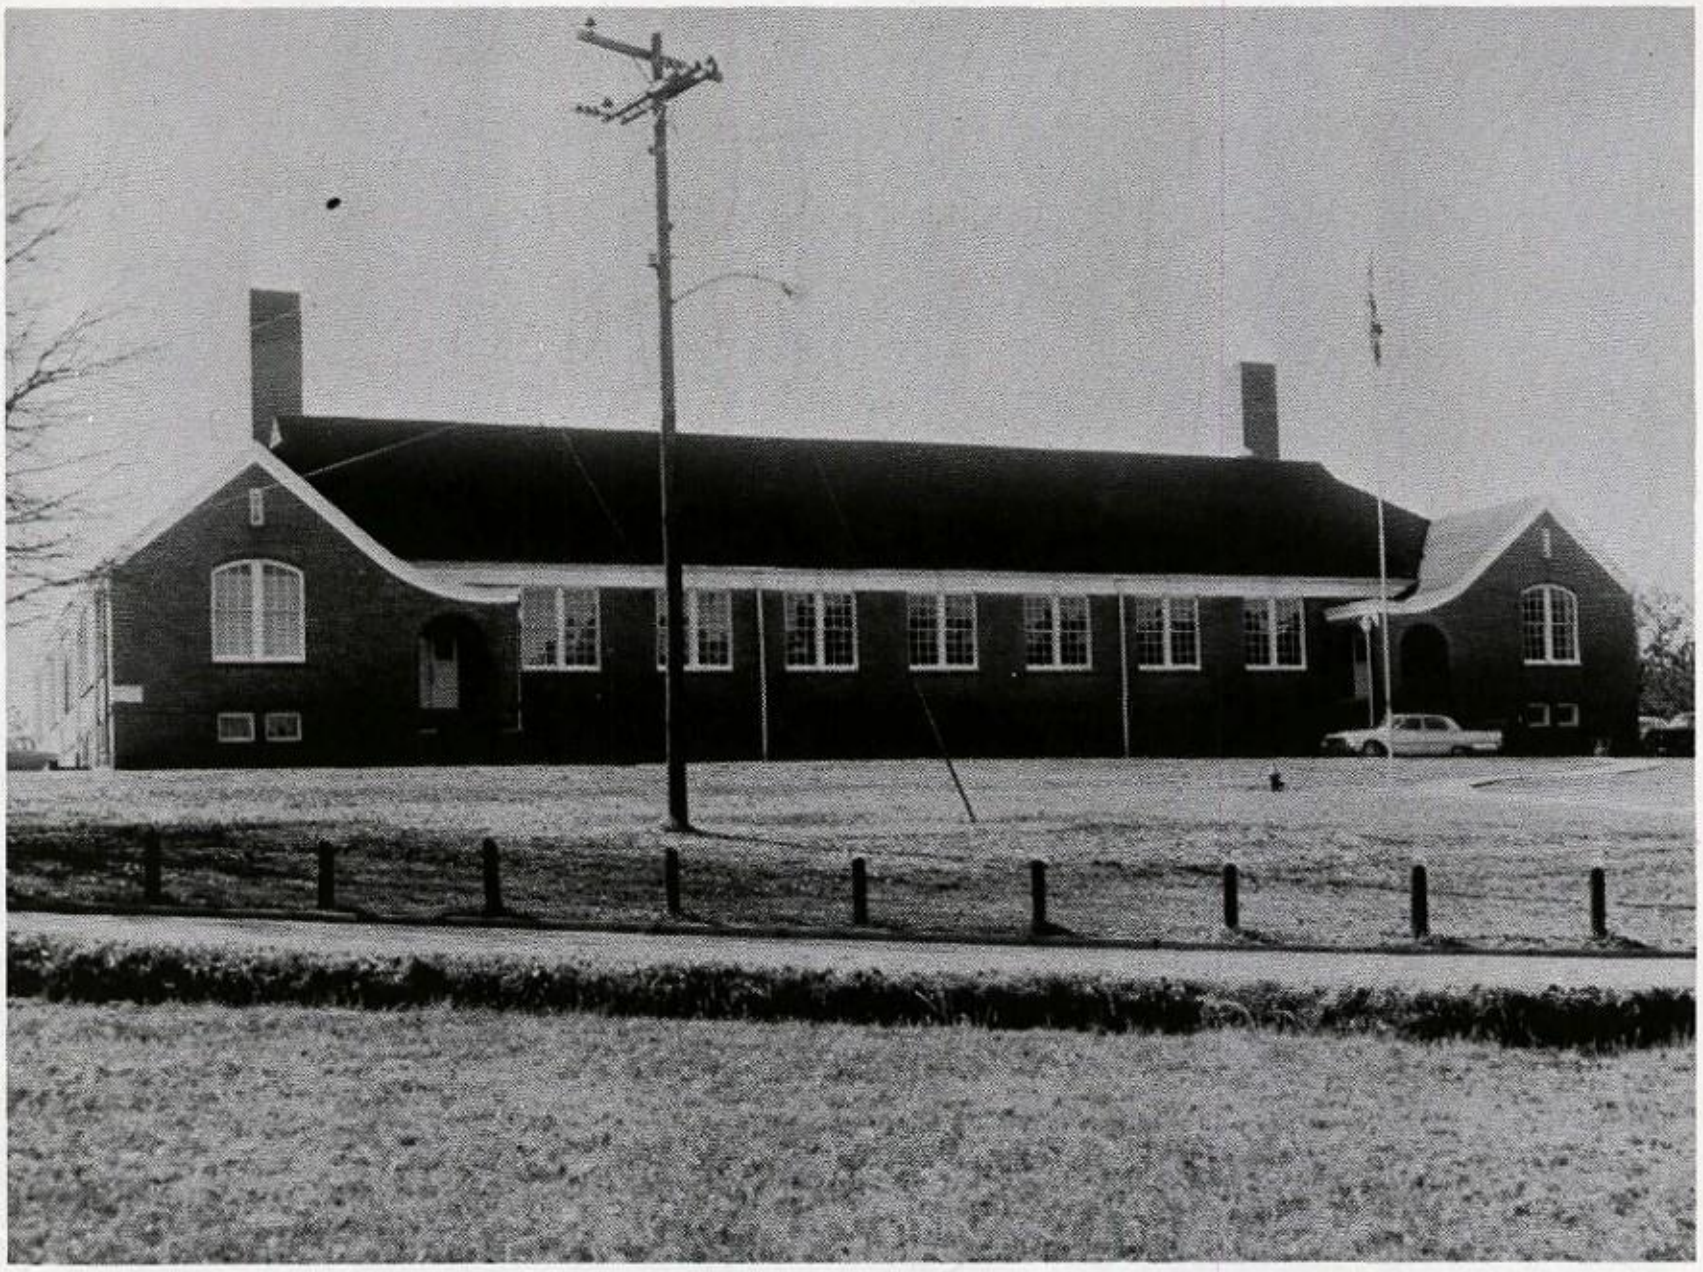
MRS. E. A. HALL

We, the graduating class of 1964, wish to dedicate the yearbook to Mrs. E. A. Hall, our class sponsor.

She has given us constant encouragement, and has shown a genuine interest in our school work and extracurricular activities. Because of her keen intellect, each of us has been stimulated to increase our knowledge.

For all the time and effort given to us, we wish to express our heartfelt thanks and deep appreciation.

Alma Mater



Proudly stands our Alma Mater

Growing with the years;

We are proudly gaining knowledge

For the coming years.

Hail! Oh, Hail! Dear Talbot County

Loudly our praises ring;

As we lift our voices upward

Hail! Oh, Hail! We sing.

Superintendent's Message

Dear Seniors,

I would like to extend my heartiest congratulations to you for successfully completing your high school education. This is a distinct achievement which required much time and effort on your part. Even more important is the fact that it opens an avenue of opportunity for further study. This is a matter that deserves your deepest consideration, because you will be living in a society which rewards educated people.

Sincerely,

H. L. Dixon

Principal's Message

Dear Seniors:

We rejoice with you as you reach the cherished goal of graduation, and yet, there is that twinge of regret when we realize that the daily association with you is ended. You have given much to Talbot County High, and we hope that in return it has made its mark upon you. We challenge you to maintain the high standards of character in adulthood that have been your hallmark as youths. With fear of sounding trite, but with sincerity of purpose, we hope that in moments of decision you will always ask yourselves the question; "Is it right with my God, my country, and myself?"

May we say again, our lives have been enriched for your having passed this way.

With warmest regards,

Homer B. Hobbs
